SPATZ to perform September 8

The musical group, SPATZ, will be performing Saturday, September 8 in Goppert Theatre at 8:00 p.m. The four musicians who comprise SPATZ bring sixty years of musical experience to their ensemble.

The group combines the rhythm and style of New Orleans street music with the wit and sophistication of New York cafe society era. They are a quartet of seasoned veterans who have performed more different styles than memory can accommodate, from Renaissance chorales to Rhythm and Blues. That they now have concentrated their talents on the popular music of 1920 to 1950 says a great deal about the respect these musicians share for the Swing sound, and what can be done with it.

SPATZ was chosen as the "Best Jazz and Blues bar band in St. Louis for 1983" by the "St. Louis Magazine" (July 1983). These three superb vocalists, playing acoustic and jazz guitars, mandolin, and ukulele, are solidly propelled by a smoothly simmering upright bass that distills good old standards into some fine swing. Consummate professionals, with thorough musical educations, SPATZ writes all of their arrangements. This adds that special sparkle to these classic standards and to their own compositions.

The concert, sponsored by the Student Union Board and funded through the Student Activity Fee, is FREE to Avila students, staff and faculty. Because the best seats go quickly, early reservations ensure excellent seating. Reserve seating may be arranged by Student Union Board members in the Activities Conference Room or the Office of Student Life.

WANTED:

Students interested in having fun, meeting people, learning about Avila, and/or programming activities. Consider joining the Student Union Board. Stop by the Office of Student Life and ask for an application.

Equally at home on club and concert stages, SPATZ presents a dynamic, free flowing performance that leaves its listeners delighted with the music, and usually calling for more. Their new album is "I Wish I Felt This Way All the Time."

Department announces season: comedy, classic begin schedule

The Performing Arts Department of Avila College is pleased to announce its eleventh season.

"1984-85 is alive with anticipation in preparation for the upcoming productions," according to W. Buck Baker, Producing

Director of the Department of Performing Arts. "The actors, designers, directors and technicians are going all out to make the 1984-85 season the best ever at Goppert Theatre."

First Semester's line-up opens September 28 with Jan de Hartog's "The Fourposter." A humorous, sometimes poignant story of newlyweds at the turn of the century, "The Fourposter" follows Michael and Agnes through 35 years of married life. The play will also be performed on September 29 and on October 5 and 6.

On November 9, 10, 16, and 17 Avila's Goppert Theatre will present Shakespeare's "A Midsummer Night's Dream." Shakespeare intertwines the antics of bungling actors and magical creatures within the befuddled love scenes of this enchanting play.

Avila Students will receive a free ticket to each production by presenting their Student I.D. Card at the Goppert Box Office. For more information call the box office at 942-8400 Ext. 290.

Second Semester productions include "Angel Street," the Fourth Annual "From Lincoln Center to Broadway," and "Dames at Sea."

Day-Break series returns

The Student Union Board will once again be presenting the Day-Break series this semester. This semester's line-up will be scheduled by the Social area of the Student Union Board.

Beginning with September 4, every other Tuesday will feature entertainment in the Marian Centre Snack Bar from noon to 1 p.m.

Performers scheduled at this time include:

Mark Deaton Duo, September 4

Greg Tamblyn, September 18

Scartaglen, October 2

Steve Epley, October 16.

Friday Feature Films

Beginning this Friday the Student Union

Board will present a semester of entertainment through film. All films will be in the Marian Centre Lounge. Funded through the Student Activity Fee, these films sponsored by the Student Union Board are FREE to Avila students, staff, faculty, and their guests.

Each film will be shown twice with the first showing at 7:00 p.m. Second shows begin at 9:00 or later, depending on length of the film.

Experience opera at special prices

An opportunity to experience professional opera at "student budget" prices is now available with "Avila Night(s)" at the Lyric Opera of Kansas City.

For \$2.50 per person per opera, Avila students, faculty and staff will have upper balcony block seating for "La Traviata" on September 26; "Candide" on October 3; and "Cosi Fan Tutte" on October 10. Each performance begins at 7:30 p.m.

"La Traviata" by Verdi is a touching, poignant love story. "Candide" by Leonard Bern-

stein is the most often performed American opera. It is a sensational theatre piece that pulses with Bernstein's contemporary music.

"Cosi Fan Tutte" by Mozart is a human comedy and tells the story of two pairs of lovers and the hilarious test of fidelity that the men put the women through.

All three operas are sung in English. Tickets for each "Avila Night" may be purchased in the Office of Student Life. The Lyric Opera is located at 1029 Central, downtown Kansas City.

**OUR SCHOLARSHIP
COMES WITH
A COMMITMENT
YOU'LL LIKE.**

It's pretty hard not to like an Army ROTC Scholarship.

Just look at what it covers: full tuition, books, lab fees. Plus, it pays you up to \$1,000 each school year it's in effect.

But what we think you'll like best about our scholarship is the commitment. Because it leads to a commission in the Army Nurse Corps (ANC) after graduation.

As an Army nurse, you'll belong to one of the largest, most comprehensive health care teams in the world. Training on state-of-the-art equipment. And using the latest techniques.

An Army nurse is an Army officer, too. So along with professional recognition,

you'll also receive all the prestige, privileges and respect that go with being a leader in today's Army.

And don't forget, the Army Nurse Corps is part of a worldwide organization. Which means you'll have the opportunity to work in different cities around the country. And different countries around the world. Without losing seniority or benefits.

So make your commitment to nursing really pay off. Begin your future in the Army Nurse Corps. And that begins with Army ROTC.

For more information about scholarship opportunities, contact the Army ROTC Professor of Military Science on your campus.

**ARMY ROTC.
BE ALL YOU CAN BE.**
